REGISTRATION PAGE

The image shows a web browser window with the address bar displaying "localhost:3090/signupUser". The page has a light gray background. At the top center, the text "STOCK MARKETING" is displayed in a large, bold, black font. Below this, the word "SIGNUP" is centered in a smaller, bold, black font. The registration form consists of four labels on the left and four corresponding white input fields on the right: "Username:", "Password:", "Email:", and "Mobile Number:". Below the input fields, there are two dark gray buttons: "Signup" on the left and "Clear" on the right.

LOGIN PAGE

The image shows a web browser window with the address bar displaying 'localhost:3030/loginUser'. The page has a light gray background. At the top center, the text 'STOCK MARKETING' is displayed in a bold, black, sans-serif font. Below this, the word 'LOGIN' is centered in a smaller, black, sans-serif font. Underneath 'LOGIN', there are two labels: 'Username:' and 'Password:', each followed by a white rectangular input field. Below the input fields, there are two dark gray buttons. The left button is labeled 'Login' and the right button is labeled 'Clear', both in a small, white, sans-serif font.
